

An Investment in Latino Youth

January 20, 1998

Dear Executive Director:

The upcoming ASPIRA National Board of Directors meeting will take place on February 27, 28, and March 1, 1998 in Newark, New Jersey. At a recent meeting involving Hilda Crespo, Vice President for Federal Affairs, Eleanor Horne, Secretary of the Corporation at the Educational Testing Service, (ETS), and me, it was announced that ETS will continue to sponsor new counselor training sessions for ASPIRA. However, because their most recent initiative involves direct service for students, ETS cannot continue to sponsor National Board Meetings for ASPIRA.

Newark, New Jersey appears to be the most cost-effective location for the meeting. The location is much closer to ASPIRA of New York, ASPIRA of Connecticut, ASPIRA of Pennsylvania, and ASPIRA of New Jersey, and travel fares tend to be lower from Puerto Rico and Illinois.

You are encouraged to make your travel arrangements as soon as possible to ensure the lowest rate. A hotel room is reserved in your name. However, you will need to present a credit card when you check in at the hotel.

Please note the following information:
